OFFICIAL PAPER OF THE CITY

Subscription, $1.00 per year.

Advertising rates furnished on application. The Value of the Tropico Interurban Sentinel as an advertising medium is obvious when its field at the head of the San Fernando Valley is considered. The nature of the paper, the character of its subscribers and the class of advertising it carries tell the whole story.

The fact that more than one hundred signatures were secured in two days to a petition addressed to the School Trustees asking them to call another bond election to provide money for the renovation of the Cerritos school house, is conclusive evidence of the public demand for this improvement. It should have carried at the last election, but so many interests clamored for attention then that the need did not reach the consciousness of voters until it was too late for anything but vain regrets. Before the vote is taken the matter will be thoroughly canvassed in public meetings which should be attended by every public spirited citizen in order that there may be no misunderstanding of the situation or the purpose for which funds are sought. Tropico cast a big vote November 7th for bonds to improve highways in the Imperial Valley and the San Joaquin which do not immediately benefit us. We cannot therefore consistently turn down bonds for the improvement of our own school house, sadly in need of repair.

THURSDAY AFTERNOON CLUB

An unusual and exceedingly entertaining program was given before the Thursday Afternoon club at its last meeting. It was provided by talented pupils of Manual Arts High, of Los Angeles, members of the Adelphic Society of that school, under the direction of Miss Hifle.

The first number was an original automobile pantomime by Ernest Peck and Kenneth Hann. The cleverness with which they visualized the vicissitudes of such a trip, in perfect silence and without a smile, made it one of the most amusing stunts ever given before the club.

No. 2 was Miss Marjorie Scott, child impersonator, who gave three delightful recitations.

Two charming girls represented the dancing classes, Miss Susan Avery appearing twice, the first time in a characteristic Spanish dance, with appropriate costume, her sister, Natalie furnishing the piano accompaniment. Her dagger dance was even more dramatic. Most of her dances are original and the audience was greatly pleased with her final numbers, a Hungarian Military Dance, and a classical dance. Miss Pansy Dawson who gave the Jumping Jack and Highland Fling was grace personified. Though not so dramatic as Miss Avery, she did beautiful work.

Miss Alvina Soffel's piano solo "To a Wild Rose" was beautifully rendered and called forth insistent applause to which she responded with an encore which gave much pleasure.

Carita Moore was the singer of the afternoon. She has a strong, clear beautiful voice which gives promise of a great future. Her numbers were "Call Me No More,, and "Wil o' the Wisp."

It is the purpose of the Adelphic Society to provide a stage upon which pupils of ability can try out their talents. It serves the double purpose of giving the students confidence and furnishing entertaining programs for the school. Quite a number of the young dramatic stars of Southern California are graduates of Manual Arts where they secured their initial training for the stage.

The pupils of the school are in request for programs and a charge is often made for their services. This money goes into a scholarship fund for the benefit of students who need financial help.

The club rooms had been made very attractive with chrysanthemums and roses and it was a most enjoyable affair. The hostesses of the day were Mesdames Edwin Fry, Leslie Eames and Hal Dovenport.

VAUDEVILLE ENTERTAINMENT

Great preparations are being made for the vaudeville entertainment which will be given by the Thursday Afternoon club Tuesday evening, November 28th at 8 o'clock in the K. P. Hall on San Fernando Road. Such a varied program has been secured that there will not be a dull moment for old or young. A stage and setting has been provided and the program will include numbers by the Tropico Quintette, fancy dancers from the Keller school, monologues by Mr. Mellish of Glendale, song and dance numbers by two clever Los Angeles artists, character songs by Mrs. Barnett of Burbank, a baritone soloist, and last but not least, two wonderful trained dogs, especially "Togo," who will entertain with many circus tricks and poses. He is a star in the celebrated Black Line Troupe of Trained Bull Terriers and a wonderful example of canine intelligence.

SUCCESSFUL BAZAAR

The Bazaar and Supper for which the matrons of the Ladies Aid of the Presbyterian church have so long been preparing, came off Friday afternoon and evening and was a great success both as a social function and as a financial enterprise. About 135 people accepted the invitation to dine and all were enthusiastic over the good meal served them. The apron and fancy work tables were well patronized and the cash receipts from both sources were in the neighborhood of $75.000 with stock left which will find buyers later. It was hard work and the working committee which arranged for and managed the affair deserves great praise.

There was a big attendance at the Kensington club meeting held last week at the home of Mrs. Louise Purnell, who entertained about sixty. Miss Dorothy Hobbs contributed several songs with ukelele accompaniment.

GLENDALE NEWS

At the last meeting of the City Council of Glendale two ordinances were passed to the third reading, one regulating the establishment and operation of hospitals and sanitariums, the other calling for a bond election for the purchase of fire equipment.

TERRIBLE ACCIDENT

While Mrs. Alvin Sanders of 1521 Ivy street, Glendale, was preparing to bathe her baby last Monday morning, her dress of thin material caught fire from an open gas stove. Laying her baby upon a chair she screamed for help and ran to a neighbor, who wrapped her in a blanket smothering the flames but not before they had mounted to her chin. Dr. Thompson of Burbank was the first physician to respond to call. Whether Mrs. Sanders will survive her injuries it is too early to determine. She it but 18 years of age. Monday was her first wedding anniversary which she was planning to celebrate with a dinner party.

A miraculous escape from death in an auto accident was experienced last Thursday by A. P. Meeker, father of R. W. Meeker of Glendale, at whose home the injured man now is, and whither he was bound when in making the descent of the narrow ridge road this side of Bakersfield, he lost control of his car, a Dodge, which left the road and rolled over and over down the mountain side a distance of 400 feet. Mr. Meeker was picked up unconscious and hurried to a hospital where it was found he was severely bruised but not seriously injured. The following day with an Overland Mr. Meeker was able to tow the Dodge to Glendale, where on overhauling, it was found to be but slightly injured. Mysterious are the ways of Providence.

Sunday Mrs. David Renshaw of Lomita and Columbus, entertained with a dinner party in honor of Miss Vivian Amet of Redondo.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

SCHOOL BOND ELECTION

At a meeting of the School Trustees of Tropico held at the home of Mrs. Charles Barker, clerk of the Board, several representatives of P. T. A. were present, viz., Mrs. Hartley Shaw, Mrs. Gaarder, president of the Cerritos Association and Mrs. Gregory. Mr. Shaw was also present as an interested citizen and adviser.

Mrs. Shaw reported an interview with Mark Keppel, County Superintendent of Schools who agreed with her that another bond election to provide funds for the improvement of the Cerritos school house was desirable and in fact necessary, and who said further that if a meeting of citizens should be called, he would be glad to come out and address it.

The needs of the building were canvassed in a general way, the antiquated plumbing, the weather worn exterior, and the dingy interior and it was agreed that $3000 would probably cover the necessary repairs. Mrs. Shaw and other members of her committee agreed to circulate petitions requesting the Board to call an election. These petitions were presented to the Board for action the early part of the week and resulted in the announcement published in this issue.

Another meeting was held by the Trustees Tuesday evening at which the petition for a bond election, signed by more than a hundred voters and tax payers, was presented by the P. T. A. Committee.

In response to the petition the Trustees voted to call the election, and spent the balance of the evening discussing the needed repairs and their probably cost. Members were delegated to secure plans and estimates and to arrange with the County Superintendent for the legal preliminaries of the election.

A Union Thanksgiving Service addressed by Rev. O. P. Rider will be held in the Tropico M. E. church November 30th at 7:30 p. m.

Mr. and Mrs. W. C. Seal, Mrs. A. J. Seal, Ethel Seal and Mrs. Mary Rich took an auto trip to Venice and Topanga Canyon last Sunday.

Mr. and Mrs. Samuel Rich are parents of a fine boy born last Thursday at the Clara Barton Hospital. He will be christened Samuel Houston.

PROCEEDINGS OF BOARD OF TRUSTEES

The Board was called to order promptly at 7:30 o'clock with all members present and by 8 o'clock had adjourned.

No Gas On Hill Street

Under the call for written communications the clerk read a letter from the Gas Company refusing to lay mains on Hill street on the ground that the prospective patronage does not warrant the expense. Ordered placed on file.

Claim For Damages

A letter was read from C. E. Baer enclosing an itemized account, sworn to, for $64.50 repairs upon his automoble, damaged last November while in the hands of C. M. Hansell who ran into a pile of sand left unguarded at night on Boynton street.

Moved by Henry that the matter be referred to the City Attorney for advice and report. Seconded by Veselich; carried.

Building Restrictions

Mr. Saunders of Acacia addressed the Board asking if the City had any building restrictions in regard to the character of houses permitted in a residence district, stating that he and his neighbors had just paid $3000 to have the street opened and improved and for the removal of an undesirable shack and now another one less desirable, had been moved onto a lot. When appealed to Attorney Shaw ruled that the city has no authority beyond that given in its building and health ordinances, that restrictions limiting value must be imposed by deed. The Board decided to investigate hereafter before granting permits for the removal of houses. Mr. Joseph Griffin stated that there are no building restrictions on Acacia avenue lots.

Jitney Cases

Attorney Shaw reported that he was not prepared to submit a draft of a Kennel Ordinance. He also reported the trial of one violator of the motor vehicle ordinance who was found guilty and would take the case to the Superior Court; also the arrest of another violator and transfer of the case to the Superior Court under Habeus Corpus proceedings.

Street Improvement

City Engineer Wattles reported progress on the Hill street improvement; also that the contractor is putting rock on Acacia and that it will soon be finished. In response to an inquiry as to driveways he said they are entirely satisfactory to the residents if not to the Board.

Clogged Gutter

Trustee Seal reported a complaint from Acacia street of a clogged gutter in front of the Ferry residence where refuse and muddy water has accumulated, making unsanitary conditions. Engineer Wattles recommended that Mr. Ferry be asked to lay a pipe in his driveway to carry off the water. Mr. Henry agreed to see Mr. Ferry about it.

Demands

The following demands were read and ordered paid: Ripley, labor in street repair $15.00 and $10.00; Jennings for blacksmithing $3.25. The Board then adjourned.

FATHERS' NIGHT

The Parent-Teacher Association of the Tropico schools will hold a "Fathers' Night," on the evening of Monday, October 27 at 8 p. m. at the Cerritos avenue school. The public is not only cordially invited but urged to be present.

Mark Keppel, County Superintendent of School, will speak on Tropico's need of improvements in the Cerritos avenue building.

The trustees of the school, having received a petition signed by over one hundred voters and property owners, have consented to call another bond election for school improvements.

JITNEY SUITS

After several postponements the trial of Jitney Ordinance violators came off Monday afternoon in the City Court before Recorder Brown. Attorney Shaw appeared for the City, Attorney Walter Gould Lincoln for defendants Bert Smith, J. M. Hossler and Carl Newman.

Marshal Gould and City Clerk Coleman testified for the plaintiff, Wm. C. Hossler, chauffeur and Wm. C. Dunlop, car owner, for the defense. Attorney Lincoln put up quite an argument attacking the constitutionality of the ordinance and asked that the case against his clients be dismissed; but Judge Brown ruled otherwise imposing a fine of $25 or 12 days imprisonment, granting however a stay of execution for thirty days. Attorney Lincoln announced that he would appeal from the decision of the Recorder to the Superior Court.

No legal representative of the Western Auto and The Short Line Companies, against whose employees cases are pending, appeared in their behalf.

TWIN CITY ROMANCE

Lee G. Olivas of Glendale and Frances E. Spence of Tropico were the principals in a romance and secret wedding at Santa Ana last May which was successfully concealed from their friends until they were ready to go to housekeeping last week at 813½ South Brand boulevard, Glendale. The young people are very popular in their circle of friends who feel defrauded in not having been taken into their confidence but who nevertheless are glad to congratulate the happy pair.

MOTHERS' CLUB

Those who attended the Mothers' club meeting at the Acacia school last Friday, report a delightful session. Mr. Wight of Union High, reviewed some of the new methods in education, and Miss Mitchell contributed two much appreciated vocal numbers. Refreshments were served before instead of after the meeting.

BIRTHDAY

Last week Mrs. William Harvey Jr., celebrated a birthday. She kept it dark for fear her friends might think her old enough to be a grandmother; but the postman knew by the packages which swelled his load that day. She was guest of honor at a dinner given by her daughter, Mrs. Oliver Merrill of Glendale, and last Sunday was entertained by her sister in Pasadena.

TWIN CITY LODGE

Twin City Lodge, No. 331, held its regular session Thursday evening. A large and enthusiastic attendance made the meeting a very enjoyable one. There was quite a delegation from Burbank. One stranger trod the mystic path of page and received the beautiful truths of the friendship of Damon and Pythias. Committee reports were very satisfactory and pleasing to the lodge. Next Thursday evening the ranks of Esquire and Knight will be conferred, followed by a banquet. The Lodge expects to hold its first meeting in its new hall on December 14. Committee on Ball reported progress. In contest for points the Blacks have gained a lead and intend to maintain it if possible.

AUTOMOBILES STOLEN

Automobile thefts are becoming too numerous and too bold to be a joke any longer. Occasionally however, a thief is caught. The constable at Burbank has the credit of securing two who came in Wednesday with a gray Buick 6 which they attempted to sell for $500. He arrested them and sent for the Deputy District Attorney, Henry Purrier. The boys are now in the county jail, according to the story given to Deputy Fairfield, who also was told of another theft at Newhall where two men held up a couple of women and later stole a Ford,. The high powered car of a man who arrived on the scene about that time was requisitioned, the thieves were followed, overtaken and arrested in a canyon.

In Glendale Wednesday night two autos were taken, one belonging to Mr. Pulliam, the other the property of Mr. and Mrs. Eudemiller. At this writing neither machine has been located.

The automobile found in Tropico which had been left by the man who attempted to rob the Tropico Mercantile, was claimed by Rev. Carl F. Henry, a Pasadena clergyman from whom it had been stolen three weeks before. The authorities think they have a clue to the guilty party.

If you are going to Glendale to the show, go in time to get dinner at the Golden State Restaurant at 1107 West Broadway. You will enjoy it more after a good meal which you didn't cook yourself.

Lovers of quaint old jewellery will find the Old Curiosity Shop at 614 West Sixth street, a very interesting place to visit. Scarcely less fascinating are the old glass, silver and pictures. Any one seking a market for old or odd things will do well to call there as Mrs. Klich is in the market for stock.

The stork brought a baby girl to the home of Mr. and Mrs. Leo Goode of 1534 West Seventh street, last Friday.

EVANS-COOLE WEDDING

A beautiful but quiet and informal home wedding, the sort that any sensible girl would desire, was celebrated Wednesday at eleven in the forenoon at the residence of W. A. Hough on West Tenth street, when Mary Jane Evans, daughter of the house, was united in marriage to Louis Ralph Coole. The only witnesses were the immediate families and close friends of the contracting parties. Mr. Shoemaker, an old and dear friend of the bride, officiated. The ring ceremony was used, little Pauline Craig acting as ring bearer. The bride was gowned in a traveling suit of dark orange broadcloth and was attended by Dorothy Hobbs, Montgomery Coole, brother of the groom, serving as best man. To the stately measures of the Lohengrin Wedding March, played by Miss Katherine Hobbs, the couple advanced to their appointed station where a bank of ferns and yellow chrysanthemums made a beautiful setting for the impressive ceremony. The yellow and green scheme was also carried out in the dining room, where, at a handsomely appointed round table, the bridal party was seated. Strands of asparagus plumosa were tied to the chandelier with yellow tulle and festooned to vases holding a single flower at each place, the table being centered with a beautifully decorated cake.

Wedding gifts were attracively displayed in the boudoir of the bride and included a great many beautiful and useful articles from cut glass and linen to kitchen ware. The fact that she has been the recipient of five showers testifies to her many friends and the high regard in which the bride is held.

At the conclusion of the wedding breakfast the young people left for parts unknown.

They will be at home to their friends about the first of December at 220 West Tenth street.

SURGERY

Dr. Coller and son of Los Angeles performed a very delicate piece of surgery at the home of M. M. Eshelman, Tuesday morning. His granddaughter, Selma Smith, whose parents live in Pasadena, met with a serious accident on the school ground in Pasa dena. Selma is ten years of age. A large girl silently came up behind her, jumped upon her shoulders and bore her to the ground, breaking the breast bone below the upper rib. It is a most difficult matter to connect the break.

Dr. G. Irwin Royce, Superintendent of the Glendale-Tropico Poultry and Pet Stock Show, reports that the premium list has been mailed to all members and interested poultry raisers and it is now up to the breeders to select their entries, fill out the entry blanks and send them to the Superintendent that space may be reserved for them in the show, which is open to any poultry raiser. Those who are uncertain what to choose can secure help in making selections by consulting Dr. Duncan or Dr. Royce. MERCHANT'S WIFE ADVISES TROPICO WOMEN

"I had stomach trouble so bad I coul eat nothing but toast, fruit and hot water. Everything else soured and formed gas. Dieting did no good. I was miserable until I tried buckthorn bark, glycerine, etc., as mixed in Adler-ka. ONE SPOONFUL benefitted me INSTANTLY." Because Adleri-ka empties BOTH large and small intestines it relieves ANY CASE constipation, sour stomach or gas and prevents appendicitis. It has QUICKEST action of anything we ever sold. Edwin Virden.

Owing to some oversight the death of Miss Amaretta Sharp was not announced in the Sentinel. She passed away July 12th, 1916 at her home on Cypress street. She was one of the oldest residents of Tropico and had a large circle of friends here.
